Last QUIZ

(COMP 3203)

December 11, 2020

Where/When is the Quiz?

- Will be held via the course web page in CU Learn

- A hyperlink "Quiz 3" will appear in the appropriate week on the day of the exam, a few minutes before the start

- Date: Wednesday Dec 16:

- Time: starts at 09:00 am and ends at 10:00 am

- Duration: 30 min

Pay Attention!

- The quiz will be multiple choice. You get only one chance to answer a question. You cannot go back to an answered question.

- Use a piece of paper or an electronic pad to work on the question before you enter your answer.

- You get a total of 30 minutes to finish the quiz and you must start and finish during the allocated time. For example, assume the time allocated is between 06:00 am and 07:00 am: 1) if you start at 06:10 then you will have to finish no later than 06:40, but 2) if you start at 06:50 then you must still finish at 07:00

- The time allocation required for PMC students has beem adjusted in CU Learn.

What Do I Study for the Quiz?

- Study everything up to and including lecture before Quiz 2. Also knowledge of material covered for Quiz 1 is assumed.

- Material from lecture notes includes:
  1. Multiaccess, Ethernet
  2. LANs
  3. Location Awareness,
  4. Wireless
  5. Localization, and GPS
  6. Routing
  7. TCP/IP
  8. WANS (**not included**)

- **NB:** As a general rule, assignment questions are much harder than quiz questions.
